The image shows a screenshot of a web browser displaying the Twilio SendGrid dashboard and a Gmail inbox. The browser tabs include 'Service Details - IBM Cloud', 'IBM Db2 on Cloud', and 'SendGrid'. The SendGrid dashboard shows a welcome message for 'Harsini SR' and a 'Ready to unlock the full potential of Twilio SendGrid?' banner. Below this, it displays 'Hello Harsini! Here's your recent email activity.' with a 'Wk' button. A summary table shows email metrics: REQUESTS (35), DELIVERED (91.43%, 32), OPENED (165.71%, 58), CLICKED (0.00%, 0), BOUNCES (2.86%, 1), and SPAM REPORTS (0.00%, 0). A line graph shows a peak in activity. The Gmail inbox shows two emails from 'harsini.ramalingam@gmail.com' via 'sendgrid.net'. The first email is titled 'Registration Successful' and the second is titled 'Category: Gaming limit exceeded'.
